School Description

Our vision is to create a community of passionate, lifelong learners with a strong sense of citizenship.

The Carrillo Family believes all teaching and learning begins with strong connections and authentic relationships within our community. Since each child learns in a different way and at a different rate, we are dedicated to celebrating every individual's successful journey to a lifelong love of learning. Our mission is to provide every student with the tools and skills to become an independent learner, capable of success in middle school, high school, and college or career training through high expectations, exemplary teaching practices and a multitiered system of support for all students.

To accomplish our mission, we are committed to the 6 C's of Carrillo: Critical Thinking, Communication, Collaboration, Creativity, Character, and Citizenship.

Critical Thinking- All students must be challenged through high expectations and rigorous academic standards. Every Carrillo student is expected to:

- Meet grade-level proficiency in the essential standards in literacy and mathematics
- Solve complex problems
- Ask meaningful questions
- Understand mistakes help us learn and are an important part of the learning process

Communication-

- Particular emphasis on listening, speaking, writing, reading in all content areas
- Students are encouraged to use open communication and restorative language to find solutions to problems

Collaboration-

- Students work in structured collaborative groups to make meaning and analyze complex problems
- Teacher collaboration in data-based professional learning communities
- Family Engagement

Creativity-

- Whole child approach
- Children are encouraged to pursue passions and curiosities about the world
- 21st century STEM lab
- Parent-run Arts Attack program
- Full-time music teacher, librarian, and PE teacher to support students

Character-

 A universal character education program that is designed to help students succeed in the 21st-century workplace, understand the importance of kindness, and to be productive citizens

Citizenship-

- Positive and safe school through empathy and compassion
- Restorative practices
- Student leadership opportunities through Student Council, Carrillo Ambassadors, and Big Buddy programs.
- Diversity and Equity
- Social Intelligence

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at https://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at https://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2019-20)

Reading and Writing:

Students receive a standards-based curriculum designed to "help build creativity and innovation, critical thinking and problem solving, collaboration, and communication fulfilling California's vision that all students graduate from our public-school system as lifelong learners and have the skills and knowledge necessary to be ready to assume their position in our global economy." ELA CCSS

Students use a variety of instructional materials in ELA to meet these instructional goals.

ELA Supplemental Instructional Materials
Benchmark Steps to Advance
K-5 Benchmark Universe, digital library, and resources
Fountas & Pinnell Guided Reading Handbook
Enterprise STAR Assessment
Lexia personalized digital program

Math:

Students receive standards-based curriculum designed to provide instruction that focuses on "concepts that are emphasized in the standards so that students can gain strong foundational conceptual understanding, a high degree of procedural skill and fluency, and the ability to apply the mathematics they know to solve problems inside and outside the mathematics classroom." Math CCSS

Students use a variety of instructional materials in math to meet these instructional goals.

Mathematics Supplemental Instructional Materials

- K-5 Math Investigations Kit, 2012 Pearson
- K-5 Math Manipulatives, Nasco, Lakeshore, Good Stuff suppliers
- K-5 Teaching Student Centered Math Teacher
- K-2 Math Expressions workbook, Houghton Mifflin
- K-5 Math Journals
- K-5 Math iReady workbook, Curriculum Associates

Dream Box personalized digital program

Science:

The district has adopted the Scott Foresman California Science program for Kindergarten through fifth grade. This program is used as a resource for teaching the California science content standards. Emphasis is on physical, life, and earth science, with investigation and experimentation a central focus of instruction. Integration of NGSS grade level standards occur through Benchmark Advance ELA-ELD core curriculum. District is in the building awareness phase of NGSS Standards.

Social Studies:

The district has adopted California Reflections published by Harcourt as a resource for teaching the California content standards in history-social science. The curriculum content at each grade level focuses on chronology, research evidence, point of view, and historical interpretation. Integration of Social Studies grade level standards occur through Benchmark Advance ELA-ELD core curriculum.

School Facility Conditions and Planned Improvements (Most Recent Year)

School Facility Conditions and Planned Improvements

Carrillo Elementary School opened its beautiful, well-supplied, state-of-the-art facility on August 6, 1999. Our school includes six building sections, of which three are portables. We have 44 classrooms, a multipurpose room, a library, a computer lab, a STEM Lab, on-campus buildings (for before and after school daycare) and an administration building. Each classroom is equipped with numerous resources for student use. Each classroom also includes a document camera, projector, and teacher laptop. We recently added a large screen & LCD projector in our multipurpose room to facilitate professional development and parent workshops. We also have site licenses for Dreambox, Reflex Math, Lexia, Kodable, BrainPOP Jr., and numerous other apps and computer programs used by students daily. Our office, computer lab, library, and multipurpose room effectively support our programs.

Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	78	81	65	67	50	50
Math	77	77	51	52	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3—Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: This is a placeholder for the California Science Test (CAST) which was administered operationally during the 2018-19 school year. However, these data are not available for inclusion in the 2018-19 SARC posting due February 1, 2020. These data will be included in the 2019-20 SARC posting due February 1, 2021.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

• Pupil outcomes in the subject area of physical education

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

Parents are a vital component of our educational program. Parent members serve on our School Site Council, which approves our annual School Plan for Student Achievement and our School Safety Plan. We have a growing number of parents who attend our English Learner Advisory Council meetings as well. Large numbers of parents provide regular in-class and out of class assistance. Our Parent Teacher Organization (PTO) is tireless in supporting academic and social needs of our school community and is our major funding source which allows us to offer Reading Intervention, Math Intervention, Science Labs, a learning garden, increased technology in all classrooms, art programs, and Running Club. One of the major reasons for our school's continued success is the extensive network of dedicated parent volunteers.

For more information regarding our Parent Teacher Organization, please visit https://www.myvlink.org/carrillopto/

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	58	44	35

San Marcos Unified School District (SMUSD) is committed to the belief that the strongest predictor of student achievement is the quality of the teacher inside the classroom. In support of this belief, SMUSD is deeply committed to teacher learning and professional development as evidenced by our district mission statement.

San Marcos Unified School District's Mission Statement includes these commitments:

- "hiring and retaining only the best educators and investing in their success."
- "providing quality education based on high standards, effective practices, continuous improvement, and innovation."

Every new teacher in our district engages in a rigorous 2 year training program where the new employee receives 30 hours of professional development on our research-based instructional framework, the Essential Elements of Instruction (EEI). These instructional strategies apply to any curricular area and any grade level. New administrators to the District receive professional learning in this instructional framework as well.

In the 2018-2019 school year, the elementary level focused professional learning on the continued implementation of state academic standards in English language Arts (ELA), English language development (ELD) and mathematics. Our district ELA/ELD leadership team received training in Tier I literacy and ELD grounded in formative, summative assessments, and differentiated instruction. Our Math cadre teachers received on-going professional development in math instruction and assessments. Teacher grade level leaders received support to deepen their understanding of effective Professional Learning Communities (PLC).

Various means of professional learning were offered: face-to-face workshops during the regular work day, during school breaks, after school as well as online sessions available for staff. Principals and ELA/ELD and math teacher leaders provided staff development during regularly scheduled staff meeting throughout the year. Teachers who work with students with special needs engaged in ongoing collaboration to implement more inclusive delivery models.

Teachers continued to engage in professional development each week as they worked collaboratively during their structured teacher collaboration time (early release Wednesdays for elementary/middle school staff and late start Tuesdays for high school staff). This provided teachers the opportunity to share best practices to meet students' needs. Teachers on Special Assignment (TOSAs) provided professional development and worked with teachers in their classrooms modeling strategies, planning collaboratively, and providing support.

^{** &}quot;Other" category is for multi-grade level classes.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at https://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
